

HEALTH SERVICES ASSISTANCE

HEALTH SERVICES ASSISTANCE

The HLT33115 Certificate III in Health Services Assistance will provide you with the knowledge and technical skills required to provide assistance to health professional staff for the care of clients. This program will enable you to find entry-level work as an assistant in nursing or nursing support worker.

COURSE INFORMATION

COURSE INFORMATION ENTRY REQUIREMENTS

The Health Services qualification outlined in this brochure has been designed to ensure that students develop the required theoretical knowledge and practical skills to help provide high levels of care within a health care setting.

The qualification provides students with opportunities for practical learning, both in a simulated and real work environment.

Graduates will possess the required competence to meet workplace demands in a health care setting.

COURSE DELIVERY & ASSESSMENT METHODS

HLT33115 Certificate III in Health Services Assistance

Delivery of this program is face to face for 20 hours per week over 27 weeks and 120 hours of Clinical Placement over 3 weeks. Assessment methodology for this qualification, may include but is not limited to tests and examinations, classroom and simulation participation, case studies, clinical placement assessment, essays, role plays, group assessments and presentations.

Students are expected to bring their own computers/laptops to classes.
